

## It's a God Thing!

Christian Care House Calls launched in November 2015. Kim Hilmer, a family practice nurse practitioner and Don Webster, who was in home health care for 15 years, have served Parker County, for many years. As Christians, they believe God has called them to conduct their practice / business with a servant's heart!

*A friend is always loyal, and a brother is born to help in time of need. Proverbs 17:17*

### PREVENT THE SPREAD OF COVID-19
